Monthly Harvard CAPS-Harris Poll: May 2023

This survey was conducted online within the United States from May 17-18, 2023 among 2,004 registered voters by The Harris Poll.

The results reflect a nationally representative sample. Results were weighted for age within gender, region, race/ethnicity, marital status, household size, income, employment, political party, political ideology, and education where necessary to align them with their actual proportions in the population. Propensity score weighting was also used to adjust for respondents' propensity to be online.

D9 The Durham report concluded that the FBI violated its own standards in starting the Trump-Russia probe and became a funnel for disinformation from the Hillary Clinton campaign and that the investigation of Trump and his campaign should never have been launched. Does this conclusion surprise you or not surprise you?
